Residence Life Programme (RLP)	<p>Students living in university provided international accommodation in Leiden, Oegstgeest, and The Hague can rely on Resident Assistants living in their buildings. The Resident Assistants try to create a home away from home for the new tenants by organizing community building events, lending a sympathetic ear, and helping them with issues or questions they may be experiencing. They also function as a contact point, referring them to the appropriate Student Support Services, and as a liaison between DUWÖ, the Housing Office, and the interests of the tenants.</p>

	2nd semester, from / to:	February 3 – July 4 (final exams: May & June) Please note that housing contracts for the Spring semester go until August. July and August are typically months for exam resits.

<p>Courses available to non-degree students</p>	<p>Students should check the e-Prospectus for information on course content, language of instruction, pre-requisites and semester dates. In case of doubt they should contact our exchange coordinator, Linda Huizinga-Coolen.</p> <p>Students have to take at least 15 ECTS in Humanities courses per semester in the subject area in the agreement and can take courses in other areas, provided the departmental coordinator agrees. Approval for the courses always depends on space and pre-requisites.</p> <p>The BA International Studies courses are held in The Hague. Although combining courses in both Leiden and The Hague is complicated (12 minutes from Leiden by train, but take about 45 minutes travelling time in account), students may also choose other Humanities courses which are held in Leiden. However, students should take the majority of their courses in one location.</p>
<p>Languages of instruction</p>	<p>English and Dutch (or the language of the studied area).</p>
<p>Credit and grading</p>	<p>Leiden University uses the ECTS credit transfer system. Most courses carry a load of 5 or 10 ECTS credits. As is common in the Netherlands, the top grades of 9 and 10 are rarely given.</p> <p>A grading table will be provided on all transcript of records. Please check the website: https://www.universiteitleiden.nl/en/education/about-our-education/leiden-study-system/ects-grading-tables</p>
<p>Standard course load</p>	<p>20-30 ECTS per semester for non-degree students. 30 ECTS is the standard full-time semester load for degree students. 1 ECTS credit equals 28 hrs of study, including contact hours and self-study.</p>
<p>Course registration</p>	<p>Course approval occurs at the time of admission to the exchange program. This process reserves students a place in the approved courses. Registration for approved courses in our online registration system occurs prior to the start of the semester. Students should always contact the exchange coordinator with questions about courses and course applications. They are not allowed to contact the lecturers directly.</p> <p>Application for courses closes about 4 weeks before the start of the semester. The Faculty of Humanities will register the students for their Humanities courses. Changes are only possible in case of schedule clashes. Students will receive further instructions close to the start of the semester.</p> <p>Questions regarding course registration after arrival should be directed to our exchange coordinator, Linda Huizinga-Coolen: exchange@hum.leidenuniv.nl.</p>
<p>Examinations</p>	<p>Many exams for courses in English available to international exchange students are held so that students may return home by the end of December. There is, however, no guarantee that this will be possible. Alternative arrangements for assessments may be possible, only at the discretion of the lecturer/department.</p> <p>1st semester: exams and resits are scheduled from December 1st until the end of January</p> <p>2nd semester: exams and resits are scheduled from May 1st until the end of June</p> <p>Students are required to be available for all exams and resits. If your semester starts before February and your student must have returned before February, we advise you to only nominate students for the Spring semester or for one year.</p>
<p>Transcript issuance</p>	<p>During the semester, students will have a Transcript Request Appointment with their International Programmes Officer. Only pass results will appear on the transcript.</p> <p>Transcripts will be issued:</p>

- for Fall students: mid-February to mid-March
- for Spring and Full-Year students: mid-June to end of August

Please note that this is an indication only, unfortunately we are unable to give a guarantee with respect to transcript issuance dates.
