Sports Science	German B1	German B1
Sociology/Political Science	German B1	German/English B1
Faculty of Technology	German B2	German/English B2
Economics/ Business Administration	German B1	German/English B1

Based on the Common European Framework of Reference for Languages (CEFR).

The language requirements specified by the faculty or department concerned are binding for all students intending to take up Erasmus studies at Bielefeld University. Failing this, successful studies cannot be guaranteed.

Participation in a 3 - 4 week intensive German language course (with orientation program) before the beginning of the lecture period provides an opportunity for an upgrade by one level within the CEFR. For this, students must attend regularly, hand in the required assignments and do the self-study program which is part of the intensive course. Students will earn 4 or 5 ECTS for this course, depending on the level they are in.
